# Section Programs and Sample Activities

## Annual Conference

The Association Nonprofit Section is proud to host a targeted conference that provides content focused specifically on the issues and priorities most relevant to our members' daily opportunities and challenges. During 2025, we will present our eighth annual event. This event is open to both PRSA members and nonmembers.

## Webinars and Virtual Networking Events

ANPRSA offers ongoing programming for Section members, with 60-minute webinars designed specifically for association and nonprofit communicators. Additionally, one webinar each year is offered to PRSA's full national membership (18,000+ individuals).

Recent topics have addressed Ethics, Transparency, building trust, transformational leadership, and building engagement through intentional communication. Similarly, ANPRSA offers bimonthly virtual networking opportunities known as Community Conversations to members. These unstructured, free flowing conversations offer a platform for diverse perspectives, collaboration, and exchange of ideas.

## In-person Networking Events

During the PRSA ICON each year, ANPRSA hosts a networking event for Section members. These have taken the form of receptions, dinners, and conversations over coffee.

## Custom Sponsorships

We understand how partners, products and services impact the entire organization and not simply one functional area, providing you opportunities to cross-sell and up-sell. We will help you develop an affordable and unique engagement strategy for your team to succeed.
