District Conference Information Handbook

A comprehensive overview of applying, planning and executing
Dear PRSSA Member,

Hello!

Thank you for your dedication to PRSSA. I’m very excited that you’re reading this, because it means that you and your Chapter are considering hosting a 2023 District Conference. District Conferences are a great opportunity to help your Chapter with fundraising, membership recruitment, fostering meaningful connections and professional development. They are also at the forefront of PRSSA brand exposure, member recruitment and overall advancement of the Society.

Hosting a District Conference is an incredible and rewarding experience, but it’s a large commitment as well. There are many details you have to take into consideration when planning and hosting your event. Reviewing this handbook is extremely important, but it’s also essential that you consult previous conference coordinators and evaluate the exciting, but demanding, work ahead of you. Let this handbook serve as a reference for how to apply for, plan and execute your conference.

Luckily, you and your Chapter won’t have to take this on by yourselves. You have endless resources available to guide you and I’m here to help you prepare to host high-quality and successful conferences. In addition, while organizing your event, you’ll be able to connect with other District Conference hosts to brainstorm ideas, ask questions and learn together.

When planning your conference, think about what makes a great event experience to you. Let your past experiences with PRSSA and PRSA events guide you, but don’t forget to feature what makes your Chapter unique and make this conference your own. Your Chapter has something special to offer to the rest of the Society, and District Conferences can be a great way to show off your Chapter’s talents and unique qualities.

I can’t wait to hear your amazing conference plan. Please let me know what I can do to assist your Chapter. Whether it’s District Conference ideas, events, fundraising, sponsorship or simple advice, I’m here to help you.

I’m thrilled to have the opportunity to get to know you and work together.

All the best,

Milagros Orcoyen
2022–2023 Vice President of Events and Fundraising

District Conference Overview

District Conferences are mini-Conferences held by Chapters between February and April. A traditional District Conference is one to three days in length and consists of educational sessions, networking events and socials. Planned, staffed and hosted by Chapter members, a District Conference offers valuable experience in event planning, sponsorship, fundraising and promotion. Even further, District Conferences can provide unique opportunities for Chapter members to broaden their network and strengthen relationships among local PRSSA and PRSA Chapters.

Benefits of Hosting

National Recognition

In addition to the selected Conferences and host Chapters receiving recognition at International Conference, PRSSA Headquarters promotes District Conferences through its various national channels. District Conference committees will be encouraged to submit digital promotional content in several stages for recognition on PRSSA National social media channels.

Dr. F. H. Teahan Award for Outstanding District Conference

Chapters hosting a District Conference are eligible to apply for the Teahan Award, which consists of a prize of $300 and a plaque for your Chapter.

Star Chapter Award

Chapters of any size can apply for the Star Chapter Award by meeting specific Chapter and professional development goals, one of which is hosting or attending a District Conference.

Chapter Fundraising

If budgeting is completed correctly and sponsorship goals are met, Chapters will see a profit from hosting a District Conference. When beginning the planning process, draft out a projected expense sheet to identify sponsorship needs and a reasonable ticket price that will allow for your Chapter’s total revenue to exceed expenses.

Membership Recruitment

Hosting and promoting a District Conference is an easy way to showcase the benefits of being a PRSSA member to those on your campus and in the surrounding region. With your planning team, consider how you can take advantage of the opportunity to promote PRSSA membership, the affiliate member program and the transition from PRSSA to PRSA.
Expectations for Hosting Chapters

ICON 2022

The coordinator, or another committee member, should register for ICON 2022 and help promote their District Conference.

Communication

The Vice President of Events and Fundraising must receive regular updates from coordinators in a timely, professional manner before and after the conference. District Conference coordinators should plan to talk to the Vice President of Events and Fundraising according to a schedule set once confirmed conferences are released. Conference coordinators will work with the Vice President of Events and Fundraising on developing a conference specific timeline for check-ins, and they can expect the Vice President of Events and Fundraising to respond to them within a timely manner, too. Additionally, all coordinators will be placed into a Slack channel. This is a great opportunity to get to know other coordinators, bounce ideas off of people in your same position and really take advantage of all the professional development opportunities that hosting a Conference has to offer. Also, several online group meetings will be held, allowing Conference hosts to share advice, ask questions and help one another.

Financial Resources

Chapters who apply need to consider that Conference costs can amount to thousands of dollars due to venue fees, hotel contracts, etc. This is why sponsorship is a crucial part of all District Conference plans. However, all applying Chapters should have the financial means to cover their estimated costs in case sponsorship goals are not reached. PRSSA National does not help cover the costs incurred from District Conferences.

National Committee Member

One National Committee member will be assigned to each District Conference to support the hosting Chapter. If the Conference is held in person, it is the host Chapter’s responsibility to plan and budget the hotel accommodations, registration and transportation of their Committee guest for the full duration of their Conference. No food is expected to be covered with the exception of any food covered by registration costs. Additionally, hotel accommodations must start, at the latest, the night prior to the conference and extend, at the earliest, until the last day of conference scheduling. Accommodation plans must be approved as adequate by the Vice President of Events and Fundraising. PRSSA National will cover the cost of the individual’s travel. It is the hosting Chapter’s responsibility to cover the individual’s lodging and Conference registration fees. Your event schedule should include one hour of programming for the National Committee member to present a Leadership Summit on behalf of the Society. The assigned National Committee member will also provide a report and reflection on the conference following the event.

National Initiative

All District Conferences are required to include a Leadership Summit, Diversity, Equity and Inclusion initiatives and either a High School Outreach or Community Involvement component.

Committee Commitment Capacity

Planning a sizable event like a District Conference is a huge time commitment. If committees who interview appear to have a number of other time commitments (internships, large course loads, study abroad), this is considered a risky committee structure. Committees should budget to spend some time each week working on District Conference projects. District Conference planning starts in October and is on-going until events are executed in February–April. Please consider your commitments during this time frame.
District Conference Interest Form

Interested Chapters should complete the District Conference Interest Form by August 23 at 2 p.m. EST. This form serves as a way to connect with the Vice President of Events and Fundraising and ask questions about the application and hosting process. The Interest Form is not binding, and Chapters must fill out the District Conference Hosting Application in order to be selected to host a Conference in 2023.

District Conference Hosting Application

Once your Chapter has decided it wants to host a District Conference, it must fill out the District Conference Hosting Application. This binding form will go live on August 25, and it is due September 13 at 2 p.m. EST. Selected Chapters must host a Conference.

Complete the Application and submit it via email to:

Vice President of Events and Fundraising
Milagros Orcoyen | vpevents@prsa.org

PRSSA National President
Alyson Hoffman | nationalpresident@prsa.org

PRSA Senior Vice President of Programming
Jeneen Garcia | jeneen.garcia@prsa.org | (212) 460-1466

PRSSA District

To provide adequate opportunities for members across the country, PRSSA District Conferences will align with the District guidelines set by PRSA. Only one or two conferences will be hosted per District and not all Districts will have a conference.

Interviews

After submitting the District Conference Hosting Application, prospective District Conference coordinators will complete a video call interview with the vice president of events and fundraising. Interview questions will assess the Chapter's ability to host a successful District Conference and will provide an opportunity for Chapters to explain and sell their unique plans. It will last 15 to 20 minutes and the coordinator is required to participate. Additional planning committee members may join. Questions will be sent prior to interview.

Selection

Chapters will be notified of the final selection prior to the PRSSA 2022 International Conference. At least one member of the selected District Conference committee (preferably the coordinator) is encouraged to attend International Conference to connect with the National Committee and begin promoting the District Conference to the Society. Chapters are selected on assessment of ability to host, preparedness for interview and articulation of unique event plans. All Conference formats (in-person, virtual and hybrid) will be considered equally.
