## Send, Request and Receive Money the Easy Way

Learn More at [Popmoney.com](http://Popmoney.com)\*

**Send money to friends and family!**

Start sending today using the recipient's name and email address or mobile phone number.

**Use your checking account.**

Money is sent directly from your existing U.S. checking account and deposited into the bank account of the recipient.

**Send money securely.**

Your information is kept highly secure throughout the entire transaction process using industry-leading technology.

## What is Popmoney®?

The Popmoney personal payment service lets you send money to, or request and receive money from, friends, family or just about anyone. Access online or through your mobile device.

## How does Popmoney work?

Log on to a participating bank's website, sign up at [Popmoney.com](http://Popmoney.com) or download the app for iPhone®, Android™ phones or Windows Phone®. Once you sign up for the service you can send money to other people using their name and email address or mobile phone number. They will be notified by email or text message and you will never need to exchange financial account information.

## What can I use Popmoney for?

- Receive money from your parents
- Pay back friends for a fun outing
- Collect rent from roommates
- Pay back your part of shared bills
- Request money or dues from groups

\*Terms and conditions apply. Popmoney® personal payment services offered at [www.popmoney.com](http://www.popmoney.com) are provided by or through CheckFreePay Corporation, a licensed money transmitter, and/or its affiliate CheckFreePay Corporation of New York, which is licensed and regulated as a Money Transmitter by the New York State Department of Financial Services, each a wholly owned subsidiary of Fiserv, Inc. © 2013 Fiserv, Inc. or its affiliates.
